Your **Minecraft Education Edition** access has now been set up - please follow the below instructions on activating each annual Minecraft account that you purchased for $9.00 through the HEA.

Each child/adult with a Minecraft account will use their special HEA-Microsoft Office 365 Education account to login to Minecraft. These were issued to you previously when you signed up for Microsoft Office 365. They end in "homeeducationassociation@on.microsoft.com"

Login information for each child account is only sent to the parent's HEA.edu.au email address.

Tutorial information is at the bottom of this info sheet.
